# ABELA'S SKELETON

As a leading Labour Party representative on the 1987 electoral commission he defended the gerrymandered districts that gave Labour the 1981 and 1987 perverse electoral results

## Muscat still more trusted than Lawrence Gonzi

### But loses 9% in four months

LABOUR leader Joseph Muscat enjoys a better trust rating than Prime Minister Lawrence Gonzi, even if his rating dipped by 9% in the past four months – a clear indication that the honeymoon period since his election is over for good.
