A REVOLUTION IN SHAPE MANAGEMENT

DISTRIBUTED BY Chemimart TEL: 2149 2212

NEW

Helps maintain a healthy metabolism
Ideal during any exercise programme
60 soft gel capsules

90 soft gel capsules

When to use Dietrim

• In order to maintain a healthy weight and metabolism there is no substitute for a healthy diet and regular exercise.

• Exercise is vital as this helps increase metabolic rate and burns off more calories.

• Increasing your intake of complex carbohydrates can give you more energy for exercise.

• Reduce your intake of fat and sugar but increase fibre to help you feel more satisfied throughout the day.

• Dietrim is a natural product that is intended to help you maintain your ideal body composition and a healthy rate of fat to lean body mass.

Staying in great shape
