

## DAMNING REPORT DISMISSED BY FENECH

Investigation into €200 million power station contract finds serious irregularities - but it's business as usual for Finance Minister

Inside: Full report analysis, pages 4-5; Saviour Balzan, page 13; Editorial, page 23

**AUDITOR'S CONCLUSIONS** • Alex Tranter should have resigned • Joe Mizzi failed to co-operate in investigation • MEPA was misled over toxic waste • Unsuccessful bidders kept in the dark • Tender should have been re-opened when emissions specifications changed • 'Urgency' not an excuse to override ordinary procedure
